VVC 2016-17 Teams

Vision Volleyball Club has 6 teams competing in the 2016-17 Ontario Volleyball Association season! At this point most of the teams have a couple of OVA tournaments completed. The Provincial Championships will be here soon! Best of luck to all the players! The 2016-17 VVC team rosters follow:

Timbits Volleyball

2015 saw the initial 'TimBits Volleyball' program for youth skill and competition development supported by our local Tim Horton's team. It was very well received in the community with 120 kids in our first year.

John Jeffries, Danny Gosselin and Kim Culin worked hard to make this program happen and many of the players from Vision's teams spent their weekend mornings teaching kids the skills and then coaching their teams through some very competitive games.

We are looking forward to running the program again in 2017 and hope it will be just as successful.

Looking forward to seeing you there.

Danny Gosselin.
